| Variable Number | Variable Name | Variable Description |
|-----------------|---------------|----------------------|
| 12              | CH4_AGE       | Child 4 Age (months) |
| 13              | CH4_GEND      | Child 4 Gender       |
|                 |               | Value      Label     |
|                 |               | 1          Boy       |
|                 |               | 2          Girl      |
| 14              | CH5_AGE       | Child 5 Age (months) |
| 15              | CH5_GEND      | Child 5 Gender       |
|                 |               | Value      Label     |
|                 |               | 1          Boy       |
|                 |               | 2          Girl      |
| 16              | CH6_AGE       | Child 6 Age (months) |
| 17              | CH6_GEND      | Child 6 Gender       |
|                 |               | Value      Label     |
|                 |               | 1          Boy       |
|                 |               | 2          Girl      |
| 18              | CH7_AGE       | Child 7 Age (months) |
| 19              | CH7_GEND      | Child 7 Gender       |
|                 |               | Value      Label     |
|                 |               | 1          Boy       |
|                 |               | 2          Girl      |
| 20              | CH8_AGE       | Child 8 Age (months) |
| 21              | CH8_GEND      | Child 8 Gender       |
|                 |               | Value      Label     |
|                 |               | 1          Boy       |
|                 |               | 2          Girl      |

| Variable Number | Variable Name | Variable Description  |       |
|-----------------|---------------|---|-------|
| 22              | CH9_AGE       | Child 9 Age (months)  |       |
| 23              | CH9_GEND      | Child 9 Gender  |       |
|                 |               | Value   | Label |
|                 |               | 1   | Boy   |
|                 |               | 2   | Girl  |
| 24              | E_INVENT      | Preschool aged child(ren) participates in an Early Intervention Program         |       |
|                 |               | Value   | Label |
|                 |               | 0   | No    |
|                 |               | 1   | Yes   |
| 25              | P_SPEDUC      | Preschool aged child(ren) participates in a Preschool Special Education Program |       |
|                 |               | Value   | Label |
|                 |               | 0   | No    |
|                 |               | 1   | Yes   |
| 26              | PRESCHOL      | Preschool aged child(ren) participates in a Regular Preschool Program           |       |
|                 |               | Value   | Label |
|                 |               | 0   | No    |
|                 |               | 1   | Yes   |
| 27              | CHILDCAR      | Preschool aged child(ren) participates in a Childcare Program                   |       |
|                 |               | Value   | Label |
|                 |               | 0   | No    |
|                 |               | 1   | Yes   |

| Variable Number | Variable Name | Variable Description  |
|-----------------|---------------|---|
| 28              | EHEADST       | Preschool aged child(ren) participates in a Early Head Start Program                                  |
|                 |               | Value      Label  |
|                 |               | 0          No   |
|                 |               | 1          Yes  |
| 29              | HEADSTAR      | Preschool aged child(ren) participates in a Head Start Program  |
|                 |               | Value      Label  |
|                 |               | 0          No   |
|                 |               | 1          Yes  |
| 30              | EVENSTAR      | Preschool aged child(ren) participates in a Even Start Program  |
|                 |               | Value      Label  |
|                 |               | 0          No   |
|                 |               | 1          Yes  |
| 31              | FAMSUPRG      | Preschool aged child(ren) participates in a Family Support Program                                    |
|                 |               | Value      Label  |
|                 |               | 0          No   |
|                 |               | 1          Yes  |
| 32              | OTHER         | Description of other type of program preschool aged child(ren) participates                           |
| 33              | CHCONDTN      | Child/Children been diagnosed with developmental disability, developmental delay, or other condition? |
|                 |               | Value      Label  |
|                 |               | 0          No   |
|                 |               | 1          Yes  |

| Variable Number | Variable Name | Variable Description   |                          |
